**Notice of Configuration Validation  
For:**

**PerifiTech Intera VX5R-5**

Implementing  
**VMware Virtual Infrastructure 3  
(ESX3.0/3.0.1)**

The Intel® Enabled Server Acceleration Alliance (ESAA) participant PerifiTech of Ohio, Inc. has validated the above configuration in accordance standard practices and procedures. Buyers must consult the individual ESAA Participants for all information concerning such validation including, without limitation, requirements for product performance, reliability, and functionality when used with specified Intel server building block components.
